Facing the rising sun throughout the day, start today’ s wonderful journey. Travel north along Highway 15, passing through the San Bernardino Forest and entering the Mojave Desert, the largest in North America. The solitary Joshua trees are dotted on the endless Gobi desert, which has a special interest. After a short stop to rest on the way, we arrived in the world’ s gambling city—Las Vegas in the afternoon! After checking into the hotel after 3 pm, you can take a short rest or try your luck at the casino. After dinner, you can enjoy the charming night view of the casino with us.

Full day In the early morning, we drove to the Grand Canyon National Park, one of the seven wonders of the world, to appreciate the magic of the Creator. Even though the seas have changed, time has passed, and time has carved a long-lasting love confession in the Grand Canyon. Being in it is spectacular. Then go to Horseshoe Bend, one of the top ten best photography locations in the United States selected by National Geographic! Overnight in Peggy.

Today's accommodation	Excalibur Hotel & Casino or similar

Full day: In the morning, head to the world's most bizarre slit cave, Lower Antelope Canyon, one of the world's top ten photography locations! Enter the Cave of Color with a Navajo Indian guide. The rock walls of the Color Cave have been eroded by wind and torrents for thousands of years, forming a perfect wave shape, like an abstract painting. Then proceed to Lake Powell, the origin of the Grand Canyon. Watching Baowei Lake along the narrow crack in the valley, the wind is gentle and smooth, the blue waves are like mirrors, and the red rocks are like flames. At this moment, I only want to steal half a day's leisure.

Full day - In the morning, at your own expense, you can follow an experienced tour guide to the Las Vegas Internet Celebrity Welcome Sign to check in, and then go to the most popular Internet celebrity attraction on the avenue, M-Bean Chocolate World and the connected Coca-Cola theme store. Colorful chocolate beans, unique Coca-Cola flavors, and a dazzling array of peripheral products. During the tour, you will have an in-depth understanding of the commodity culture of the two giants. You can also watch 3D movies in the four-story chocolate world, giving you a different viewing experience in the sweet air. Then we came to the newly opened Fly Over Las Vegas, which uses the latest photoelectric technology + electric riding + 4D experience to enjoy the beautiful scenery of Las Vegas and surrounding areas from a different perspective.
