【Huaxi Golden Avenue】 Huaxi Golden Avenue was built in 1956, with a total length of 560 meters. There are 115 French plane trees planted along the Huaxi River. Every late autumn, the leaves of the plane trees gradually turn yellow. Looking from the distant mountains and forests, it looks like a golden avenue, hence the name "Golden Avenue". More than 100 French plane trees slowly spread along the Huaxi River. With the seasonal changes, when the autumn wind blows, the leaves begin to change from emerald green to yellow-green, and from yellow-green to golden, orange-red, red-brown... 【Qingyan Ancient Town】 Located in the south of Huaxi District, Guiyang City, Guizhou Province, 29 kilometers away from the central city of Guiyang and 12 kilometers away from Huaxi City, it was an important

military town in the Ming and Qing dynasties. Qingyan Ancient Town covers an area of 3 square kilometers, and the total planned area of the scenic spot is about 5.8 square kilometers. The streets and alleys are paved with stone, and the residences also have stone walls, counters, and courtyards. The layout of the town follows the pattern of the Ming and Qing Dynasties. The well-preserved court gate, waist gate, tile roof, double eaves hanging over the mountain, and flower-and-wood doors reflect the architectural style of the Ming and Qing Dynasties. Qingyan Ancient Town has 4 main streets, 26 side streets and lanes, filled with buildings, platforms, pavilions, pavilions, temples, palaces, ancestral halls, pagodas, courtyards and many other historic sites. **【Dragon Palace Scenic Area】** It is adjacent to the national AAAAA-level scenic spot and the world-famous Huangguoshu Waterfall. It is only 27 kilometers away from Anshun City, the tourist center city of Guizhou, and the entire highway is directly driven, making the transportation very convenient. The total area of Dragon Palace Scenic Area is 60 square kilometers, with many highly endowed scenic resources.

Today's meal	Breakfast: Hotel breakfast Lunch: Miao style Dinner: Roast duck flavor
Today's accommodation	Xingyi Fukang Hotel or similar class

【Huangguoshu Waterfall】 It is a national AAAAA-level scenic spot and the largest waterfall in Asia. Located in Zhenning Buyi and Miao Autonomous County, Anshun City, Guizhou Province, China, it is the largest first-level waterfall in the nine-level waterfall group of Baishui River, a tributary of the Tapang River in the Pearl River system. It is named after a common local plant "Huangguoshu". The height of the waterfall is 77.8 meters, the main waterfall is 67 meters high, the width is 101 meters, and the top width is 83.3 meters. It is a typical erosion-cracked waterfall in karst landforms. A total of 18 waterfalls with different styles are formed on the 20 kilometers upstream and downstream of the river. In 1999, it was named the largest waterfall group in the world by the Guinness Headquarters and included in the Guinness Book of World Records. **【Doupotang Waterfall】** It is the widest waterfall in the scenic area. The top of the waterfall is 105 meters wide and 21 meters high. On the top of the waterfall is a huge karst pool with an area of 15,000 square meters. This waterfall has a special phenomenon. Before the flood arrives, it will make a roaring sound, so it is also called the "Roaring Waterfall". It is also the filming

location of Journey to the West. Breakfast: In the hotel Lunch: Chinese mixed dishes in the scenic area Dinner: Chinese mixed dishes Accommodation: Anshun - five-star Hilton Hotel or Howard Johnson Hot Spring Resort or similar

Today's meal	Breakfast: Hotel breakfast Lunch: Sour soup fish feast special meal Dinner: Chinese mixed dishes
Today's accommodation	Guiyang-five-star Pullman Hotel or similar

【Qianling Mountain】 Located in Yunyan District, Guiyang City, Guizhou Province, it is a national AAAA-level tourist attraction and is known as the "No. 1 Mountain in Southern Guizhou". It is famous throughout the country for its secluded mountains, dense forests and clear lakes. Qianling Mountain has been a famous tourist and pilgrimage site in Guiyang City since ancient times. Qianling Mountain is a comprehensive park integrating natural scenery, cultural relics, folk customs and leisure entertainment. Qianling Mountain consists of six major tourist areas, including Hongfu Temple, Qianling Lake, and Sanling Bay. Each scenic area has its own unique charm, and together they form a famous and beautiful city park in Guiyang. It is famous for its bright mountains, beautiful waters, secluded forests, ancient temples, holy springs and monkeys. There are more than 500 wild and free-range macaques in the park. The giant panda pavilion in Qianlingshan Park was officially opened to the public in 2018. There are two naive giant pandas "Xingbao" and "Hainbin". 【Jiaxiu Tower】 Jiaxiu Tower was built in the Ming Dynasty. After the building was destroyed and rebuilt, it was renamed "Laifeng Pavilion". Jiaxiu Tower has three floors, the upper, middle and lower floors, with white stones as railings, which are retracted layer by layer. The Nanming River flows in front of the building and merges into Hanbitan. The two sides of the building are connected by the stone arch "Fuyu Bridge". There is a small pavilion on the bridge called "Hanbi Pavilion". The Jiaxiu Tower is decorated with red beams and green tiles, and is surrounded by beautiful water and mountains. It deserves the name Jiaxiu Tower. In 2006, as a component of the "Wenchang Pavilion and Jiaxiu Tower", the Jiaxiu Tower was announced by the State Council as a national key cultural relics protection unit. [Colorful Guizhou style] The world's top national stage epic, 600 actors from 17 ethnic groups took 8 years to carefully create 4 versions. There have been more than

3,000 commercial performances at home and abroad in 20 countries and regions and 50 cities around the world. It has been listed in the "National Cultural Tourism Key Project List". Former Canadian Prime Minister Harper and former British Prime Minister Tony Blair praised it as "one of the most ecological song and dance performances in the world." Netizens commented that "a night of colorful Guizhou style interprets the six hundred years of Guizhou." Based on the deep local ethnic memory, it interprets the colorful and romantic customs of the Miao, Buyi, Dong, Yi, Shui and other ethnic minorities who have lived for generations. The Dong songs, ethnic stunts, instrumental music performances and exquisite ethnic costume shows that cannot be replicated truly write the legend of "traveling across the land of China and being intoxicated with the beautiful and colorful Guizhou". **[Try local traditional snacks at No. 27 Snack Street]** After watching the wonderful party, the distinguished guests can go to Guiyang Hongtongcheng Erqi Road Snack Street to taste late night snacks and experience local food. This is a food street that integrates food, tourism and leisure. The commercial pedestrian snack street is nearly 400 meters long. On the neatly planned streets, there are nearly 80 shops and stalls lined up in rows, selling a variety of traditional delicacies with Guizhou characteristics from all over Guizhou, allowing distinguished guests to feast their mouths.

D5 10/10(six) Guiyang (about 3 hours drive) › [Xijiang Qianhu Miao Village] (including four-stage battery car)

Today's meal	Breakfast: Hotel breakfast Lunch: commoner style Dinner: Chinese mixed dishes
Today's accommodation	Xijiang-quasi 5-star Qianyun Shanfang Hotel or similar (the best new hotel in Xijiang Miao Village)

[Xijiang Qianhu Miao Village] It is currently the largest Miao village in China and even the world. It is the most complete place to preserve the Miao "original ecological" culture. The Miao village customs are combined with natural scenery. It is a model of intangible cultural heritage and is very spectacular. The unique Miao wooden stilt house in the village. Located in Nangui Village, Miao and Dong Autonomous Prefecture, Guizhou Province, it is 36 kilometers away from Leishan County, 33 kilometers away from the capital of Qiandongnan Prefecture, and about 280 kilometers away from Guiyang City, the provincial capital. It is composed of more than ten natural villages built on the mountains. It is surrounded by mountains on all sides, and the terraces are directly connected to the sky. The Baishui River passes through the village, dividing the Xijiang Miao Village into two. Xijiang Qianhu Miao Village builds unique

wooden structure stilted buildings in the middle of the mountain. With the ups and downs of the terrain, more than a thousand stilted buildings are lined with mountains and hills, making it a spectacular sight. The main attractions of Xijiang Qianhu Miao Village include the Xijiang Miao Museum, the original singing and dancing performances in the scenic area, the Guzangtou Family, the Huolutou Family, the brewery, the embroidery workshop, the batik workshop, the silver jewelry workshop, the viewing platform, the Garge Ancient Road, the pastoral sightseeing area, etc. Xijiang Qianhu Miao Village is an open-air museum that exhibits an epic of the development of the Miao people and serves as a grandstand for viewing and studying the traditional culture of the Miao people. In 1982, Xijiang Miao Village was listed as an ethnic customs tourist attraction on the east line of Guizhou by the Guizhou Provincial People's Government. In 1992, Xijiang Qianhu Miao Village was listed as a provincial cultural relic protection unit in Guizhou Province. In 2005, Xijiang Qianhu Miao Village Diaojiaolou was included in the first batch of China's national intangible cultural heritage list. In November 2020, Xijiang Qianhu Miao Village was announced as a 5A-level tourist attraction in China.
