Today's accommodation	Holyland Paradise Intercontinental Hotel or similar

After breakfast, visit the world’ s highest ancient castle-style building complex - **【Potala Palace】** It was originally built by Songtsen Gampo to marry Princess Wencheng. After its reconstruction in the 17th century, the Potala Palace became the winter palace residence of the Dalai Lamas and the political and religious center of Tibet. The entire palace has a distinctive Tibetan style. It is built on the mountain and is majestic. The Potala Palace also houses countless treasures, which can be called a palace of art. Visit the center of Tibetan Buddhism and the holy place in the hearts of Tibetan Buddhist believers - **【Jokhang Temple】** , this is a Tibetan Buddhist temple with a history of 1,350 years. The Jokhang Temple has the supreme status in Tibetan Buddhism. The precious cultural relics enshrined in the temple are the 12-year-old Buddha statue that Princess Wencheng brought to Tibet and was consecrated by Sakyamuni Buddha himself, and is enshrined here; **【Bajiao Street】** Handicraft Market Shopping Bajiao Street is located in the center of the ancient city of Lhasa. It is the street with the most complete preservation of its original appearance in Lhasa. Here you can buy a variety of handmade products with strong ethnic characteristics. After dinner, taste Tibetan food and enjoy Tibetan singing and dancing performances, then drive to Potala Palace Square and take photos of Lhasa at night.

D4 10/10(six) Lhasa - Shigatse

Today's meal	Breakfast: hotel breakfast Lunch: Chinese lunch Dinner: Chinese dinner
Today's accommodation	Sheli Villa Hotel or similar class

After breakfast, drive to Shigatse, the important town of Houzang, and visit the residence of the "Panchen Lama" in the past dynasties, which is also the largest monastery in Houzang. **【Tashilhunpo Temple】**, meaning "Auspicious Sumeru Temple", it, together with the "three major temples" Ganden Monastery, Sera Monastery and Drepung Monastery in Lhasa, is called the "Four Major Monasteries" of the Gelug Sect of Tibetan Buddhism. The four major temples, the Kumbum Monastery in Qinghai and the Labrang Monastery in Gansu are listed as the "six major temples" of the Gelug Sect. Then we visited a temple containing three sects. **【Baiju Temple】** and **[One Hundred Thousand Pagodas]**Baiju Temple is a Chinese name, and the Tibetan abbreviation is "Bankuo Deqing", which means "Auspicious Wheel Dalue Temple". Baiju Temple was built in the second year of Xuande of Ming Dynasty (1427). It is a typical Tibetan Buddhist temple building that combines a pagoda and a temple.

D5 10/11(day) Shigatse—Gyantse—Lhasa

Today's meal	Breakfast: hotel breakfast Lunch: Chinese lunch Dinner: Bacteria Wangfu Mushroom Soup
Today's accommodation	Holyland Paradise Intercontinental Hotel or similar

After breakfast, drive to Gyantse and visit one of the three holy lakes in Tibet, known as the holy lake in the sky. **【Yamdrok Yongcuo】** The main reason why Yamdrok Yumco is called the "Holy Lake" is that it can help people find the reincarnation of the Dalai Lama. She, Namtso and Manasarovar are also known as the three holy lakes in Tibet. It is the largest inland lake at the northern foot of the Himalayas. The beauty of the lakes and mountains is the best in southern Tibet. The altitude is 4,400 meters and the water surface area is about 638 square kilometers.

Today's meal	Breakfast: hotel breakfast Lunch: on the train Dinner: on the train
Today's accommodation	Qinghai-Tibet Sightseeing Train Four-person Soft Sleeper Box

After breakfast, free at leisure, then take the Qinghai-Tibet Sightseeing Train to Xining. The train is also specially equipped with two oxygen supply systems. One supplies oxygen through the air in the mixed air-conditioning system, so that the oxygen content of each train reaches 83%. The other centralized oxygen supply system allows passengers to directly absorb oxygen through an independent interface, thereby effectively reducing altitude sickness. You will have the opportunity to admire the Qinghai-Tibet Plateau. The Qinghai-Tibet Railway is known as the "Sky Road" and the engineering difficulty is as difficult as climbing to the sky. The 1,142-kilometer-long railway from Golmud to Lhasa passes through the Kunlun Mountains and Tanggula Mountains. The 960-kilometer section is over 4,000 meters above sea level, with the highest part reaching an altitude of 5,072 meters. It passes through harsh terrains such as wetlands, permafrost areas, plateau glaciers, etc. It is China's most globally recognized project of the century. As the Qinghai-Tibet train is about to leave Lhasa, you will have the opportunity to **【Naqu】** Admire the upper reaches of Nujiang River - Heihe River and the endless **【Qiangtang Prairie】** ,exist **【Northern Tibet Grassland】** Known as the Pearl of the Plateau **【Cuona Lake】** and the Tibetan Wild Ass Sanctuary, **【Tanggula Station】** With an altitude of 5072 meters, it is known as "the station closest to the sky" and the vastness in Journey to the West. **【Tongtian River】** , and the world’ s highest tunnel— **【Fenghuoshan Tunnel】** , here is known as the "life forbidden area", the lowest temperature reaches -41°C, and the oxygen content is lower than 50% of that in the mainland. Without the Qinghai-Tibet Railway, we would not be able to reach this area... exist **【Kekexili Nature Reserve】** You will have the opportunity to admire the world's longest railway bridge, the 11.7-kilometer-long Qingshui River Bridge. The great migration of the world's rare animals, the Tibetan antelope, is particularly spectacular in June every year. Then you’ ll have the chance to enjoy the splendor **【Tuotuo River】** , she is the source of the three rivers—the Yangtze River, the Yellow River, and the Lancang River. **【Kunlun Pass】** Experience the world's longest plateau frozen soil tunnel, the 1,686-meter-long Kunlun Mountain Tunnel, and the oasis formed by the melted snow of Kunlun Mountain **【Golmud】** etc.

After breakfast, tour【Milan Ancient City Ruins】, this group of ruins has witnessed the intersection and evolution of different cultures from the Han Dynasty to the Tang Dynasty. According to historical records, during the Western Han Dynasty, this place was Yixun City in the Loulan Kingdom of the Western Regions. In the fourth year of Yuanfeng reign of Emperor Zhao of the Han Dynasty (77 BC), King Wei Tuqi of Shanshan requested the Han Dynasty to send troops to farm and accumulate grain here, and the Han Dynasty immediately sent officials and soldiers. During the Tang Dynasty, the ruins of the ancient city of Milan were occupied by the Tubo Dynasty, and the existing castle was a military fortress built by the

Tibetans. Tour after lunch【Loulan Museum】, China’ s first museum with the theme of Loulan culture. The museum integrates the collection, display, excavation and protection of "Loulan" cultural relics. It is an important platform for displaying historical cultural relics and humanistic resources such as the ancient city of Loulan, the ruins of Milan, and Xiaohe Cemetery. It is an important window for people to deeply understand the history and culture of Loulan.

Arrive in Kuqa in the morning. Kuqa is the seat of Kucha Kingdom, one of the thirty-six kingdoms in the ancient Western Regions. It was once prosperous and the birthplace of the famous "Qiuci Music and Dance". The "Hu Xuan Dance" that was very popular in the court during the Tang Dynasty was an important part of the "Qiuci Music and Dance". tour【Kizil Thousand Buddha Caves】(Tour time is about 2 hours) This is the westernmost of the four famous grottoes in China. The caves were first excavated in the 3rd century AD, at the end of the Eastern Han Dynasty. After thousands of years, there are 236 caves preserved. The most exciting of them are the murals covering tens of thousands of square meters. From the 5th to the 7th century AD, incense flourished here. At that time, the population of Qiuci Kingdom was more than 100,000, and there were tens of thousands of monks practicing in Thousand Buddha Cave. People call this place "China's Second Dunhuang", and in the near future, it will be even more famous in the world than Dunhuang. Visit after lunch【Tianshan Mysterious Grand Canyon】(Tour time is about 1.5 hours). The main reasons why the Grand Canyon is mysterious are: first, mist-shaped yin and yang spheres that look like "Bagua Diagrams" often emerge from the ground; second, the strange image of the sacred dog Shougu that changes color with the seasons.

Visit after breakfast【Kashgar Ancient City】(Tour time is about 1.5 hours), formerly known as Shule, it has a history of more than 2,000 years. It was once the city of King Shule in the ancient Western Regions. The earliest record can be found in the "Book of Han. Biography of the Western Regions" recorded by Zhang Qian in the Western Han Dynasty. The streets and alleys in the old city are criss-crossed, and the winding paths lead to quiet places. Most of the residences are made of earth, wood, brick and wood structures. It is currently the largest existing group of earthen buildings in the world. The Uyghur ethnic minority lives here. The Uyghur ethnic group is good at singing and dancing, and still retains rich ethnic minority customs and habits. Then go to【Folk Jade Exhibition Hall】. Continue the visit after lunch【Id Kah Mosque】(Tour time is about 1 hour) Founded in 1442, covering a total area of 16,800 square meters, it is not only the largest mosque in Xinjiang, but also the largest mosque in the country; then visit【Xiangfei Garden】(Tour time is about 2 hours). The Tomb of Apahoga and the Tomb of Xiangfei are located in the eastern suburbs of Kashgar. It is a typical Islamic-style ancient building complex that was built around 1640. It is said that 72 people from five generations of the same family are buried in the tomb. It is named after Apahoga, a famous Islamic master of the "Izen sect" in Kashgar in the late Ming and early Qing dynasties, who was buried there.
